Report on Jnana-Vijnana-Tantrajnana Mela-2020

The two days Jnana-Vijnana-Tantrajnana Mela-2020 State Level Science Exhibition with the themes :“Climate Change and Environment, National Health Programme, Energy & Resource Conservation, Science & Spirituality, general – Social Relevance” was hosted by Sri Adichuchanagiri Mahasamstahna math, on 19-20th February. The event saw young enthusiastic participants from different parts of Degree Colleges putting up 1000 participatory exhibits comprising of innovative working models, and investigation based projects.

The programme was inaugurated by Dr. Vasudev Kalkunte Aatre is an Indian scientist and former head of the Defense Research and Development Organization (DRDO). He was very impressed by the presentations and congratulated the participants.

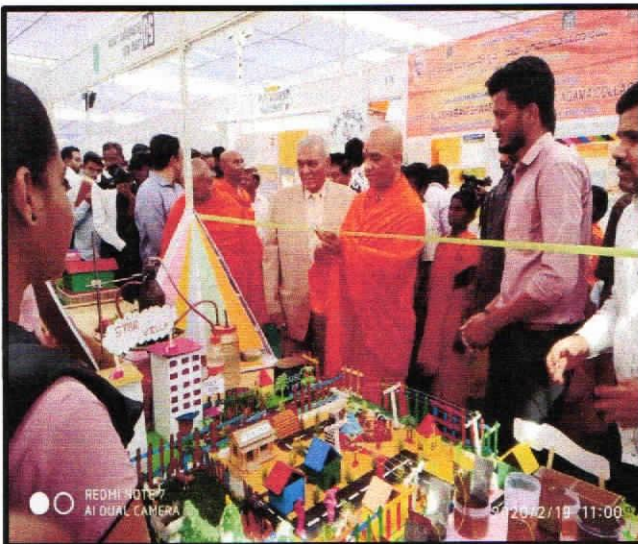

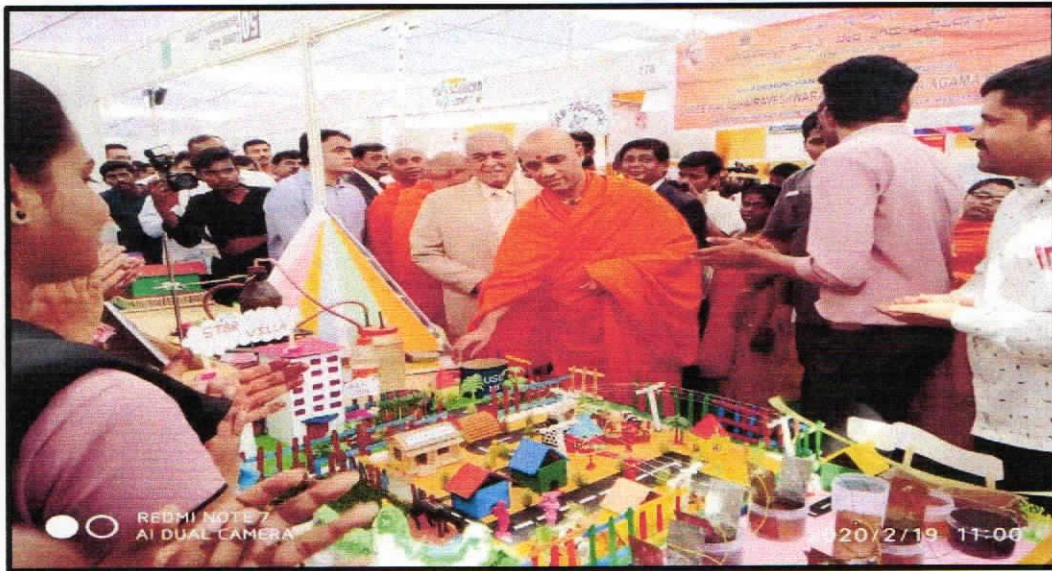

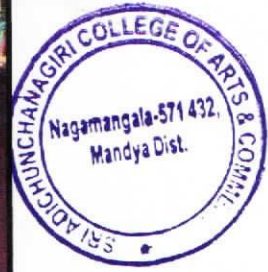

The exhibits by the different Colleges were indeed eye openers on various topics related to Green Energy, Innovation in Transport- Communication, Agriculture. Technology Bio- diversity, Community Health- Environment Mathematical Modeling, Border Security System, Science & Spirituality Model.

With an endeavor to promote scientific attitude among budding young students, this exhibition was one of its kind. As the host team, SAC students participated. In the valedictory Function organized on 20th February, Dr. Nirmalanandanatha Swamiji gave the certificates and mementos.

The judges applauded the student for their novel ideas which would help the world to become a much better place to live in. Our College got **Second prize in Science and Spirituality** .Our Principal thanked all the Faculty members participating teams, for making this event a success and appreciated their novel projects. He also summed up the true essence of this exhibition by saying science gives us tools of immense power and as with any other form of power, the misuse is always a possibility. It therefore, becomes incumbent on us to become judicious and these wonders with utmost care.

Our students won 10,000 Rs. cash prize for their exhibit.

REPORT ON SCIENCE QUIZ- 27-02-2020

National science day was celebrated in our college on 28-02-2020. This day is celebrated to remember the great invention by the Indian Physicist Dr. C V Raman who discovered "Raman Effect "students of our college held a special assembly to mark this occasion. This day began with introduction of our scientist Dr. C V Raman followed by speeches and this purpose, We have conducted quiz programme on 27 February for our science students and cash prize also distributed for winners. It was very knowledgeable day, in which the main motive was to spread a message about the importance of science used in the daily life of the people.
