STUDENT'S GRIEVANCE REDRESSAL CELL

The Grievance Redressal Cell is in the formative stage and the cell would attempt to address genuine problems and complaints of students of various nature suffered by the students. Once the grievance redressal cell is formed, students can approach the members of the cell or any of their other teachers as is comfortable to them.

The objective of the Grievance Redressal Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the Institute.

The objectives of the Grievance Redressal Cell are:

- Students can complaint about any problem related to academics ,resources in the college campus.
- To develop an organizational framework to resolve Grievances of Students and other stakeholders.
- To provide the Students access to immediate, hassle free recourse to have their Grievances redressed.
- To enlighten the Students on their duties and responsibilities to access benefits due under the policies.
- To establish structured interactions with Students to elicit information on their expectations.
- This cell records, discusses and helps students to solve their grievance.

Functions of the The Grievance Redressal cell

- To solve the various personal and educational related grievances of the teacher-trainees,
- To make the student friendly, and

- To ensure the qualitative as well as quantitative development of the institution through the grievance and Redressal cell.

Procedure for Redressal of Grievance.

- Grievance Redressal cell forms a committee. Committee includes convener, member, student representatives of all courses present in the college.
- Memo is circulated to all the classes and student representatives are informed to collect grievance in their stream.
- Arrange meetings periodically and takes steps to redress the grievance.
- Student's representatives and committee members are involved in the meeting to discuss about grievance.
- Committee decided to solve the problem as early as possible within the time limit.
