Report on Jnana-Vijnana-Tantrajnanamela 2017

The two days Jnana-Vijnana-Tantrajnanamela 2017 State Level Science Exhibition with the theme "**Science & Technology for Challenges in Life**" was hosted by Sri AdichuchanagiriMahasamstahna Math, on 19-20th February. The event saw young enthusiastic participants from different parts of Degree Colleges putting up 500 participatory exhibits comprising of innovative working models and investigation based projects.

The program was inaugurated by Dr Chintamani Nagesha Ramachandra Rao, also known as Dr C N R Rao, is a renowned chemist in India. To date, he has written close to 1,500 research papers and 45 scientific books. . He was very impressed by the presentations and congratulated the participants.

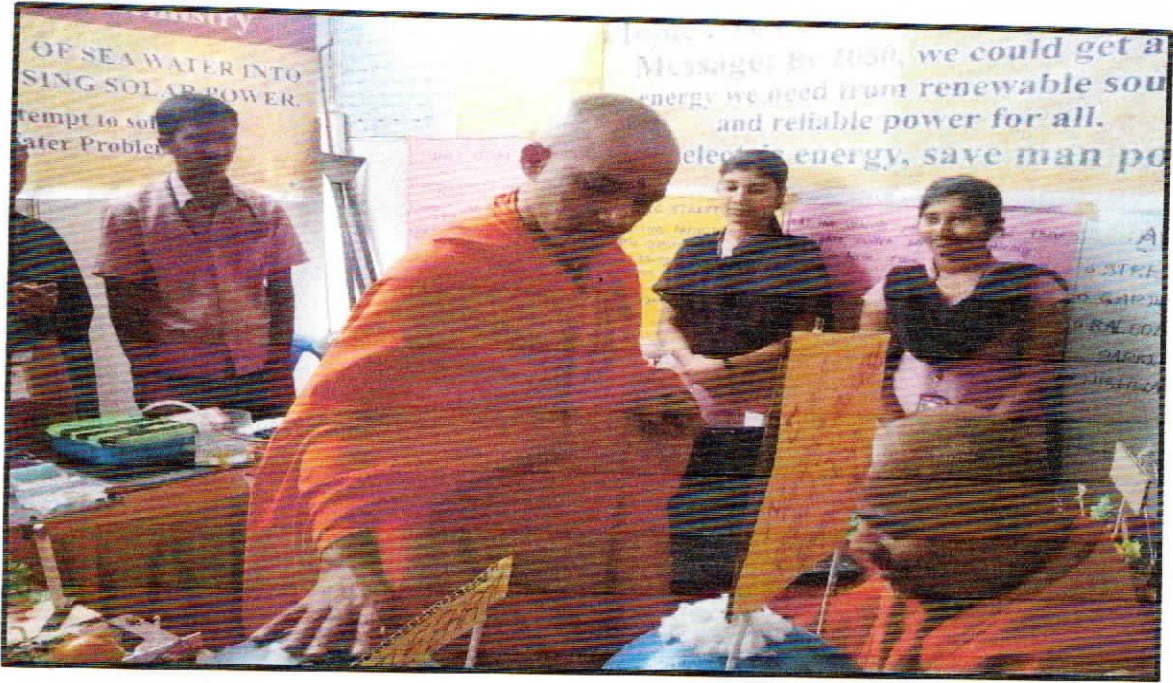

The exhibits by the different Colleges were indeed eye openers on various topics related to Green Energy, Innovation in Transport, Communication, Agriculture, Technology, Bio- diversity, Community Health, Environment & Mathematical Modeling.

With an endeavor to promote scientific attitude among budding young students, this exhibition was one of its kind. As the host team, SAC students participated. In the Valedictory Function organized on 20th February, Dr. Nirmalanaandanatha Swamiji gave the certificates and momentous.

The judges applauded the students for their novel ideas which would help the world to become a much better place to live in. Our College got a First prize in Generation of Electricity from Cattle Urine our Principal thanked all the participating teams for making this event a success and appreciated their novel projects. He also summed up the true essence of this exhibition by saying science gives us tools of immense power and as with any other form of power, the misuse is always a possibility. It therefore, becomes incumbent on us to become judicious and use these wonders with utmost care.

Our students won 5000 Rs cash prize for their exhibit.

Report on Educational tour -2017

Sri Adichuchanagiri college of Arts and Commerce Nagamangala conducted an educational tour on 16-03-2017 to 20-03-2017 for II BSc and III BSc (PCM and PMCs) students of Science department. About 30 students and 2 faculty visited Tamilnadu. The main purpose of the tour was to get the students closer to the natural environment.

The purpose of visit is to promote and enhance students understanding of the culture of science and technology, to supplement science education given in colleges and to organize various out-of college educational activities to foster a spirit of scientific enquiry and creativity among the students and develop scientific attitude

A visit to Black thunder, Kodaikanal and Kanyakumari etc. was very exciting for students and really helps them understanding unity and discipline. It was just a Complete and Knowledgeable trip.
