Report on Jnana-Vijnana-Tantrajana Mela -2018

The two days Jnana-Vijnana-Tantrajana Mela 2018 State Level Science Exhibition with the theme "**Science & Technology for Challenges in Life**" was hosted by Sri Adichuchanagiri Mahasamstahna Math, on 19-20th February. The event saw young enthusiastic participants from different parts of Degree Colleges putting up 500 participatory exhibits comprising of innovative working models and investigation based projects.

The program was inaugurated by Sri Mumtaz Ali Khan, a spiritual Guru. He was very impressed by the presentations and congratulated the participants.

The exhibits by the different Colleges were indeed eye openers on various topics related to Green Energy, Innovation in Transport, Communication, Agriculture, Technology, Bio- diversity, Community Health, Environment & Mathematical Modeling.

With an endeavor to promote scientific attitude among budding young students, this exhibition was one of its kind. As the host team, SAC students participated. In the Valedictory Function organized on 20th February, Dr. Nirmalanandanatha Swamiji gave the certificates and momentous.

The judges applauded the students for their novel ideas which would help the world to become a much better place to live in. Our College got a Third prize in Production of Fuel from Plastic IC waste our Principal thanked all the participating teams for making this event a success and appreciated their novel projects. He also summed up the true essence of this exhibition by saying science gives us tools of immense power and as with any other form of power, the misuse is always a possibility. It therefore, becomes incumbent on us to become judicious and use these wonders with utmost care.

Our students won 5000 Rs. cash prize for their exhibit.

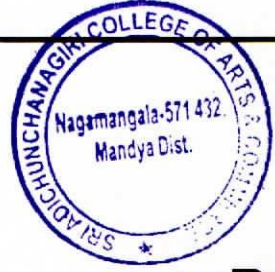

Two days Jnana-Vijnana-Tantrajana Mela 2018 State Level Science Exhibition with the theme "Science & Technology for Challenges in Life" was hosted by Sri Adhichuchanagiri Mahasamstahna Math, on 19th and 20th February -2018

Report on Educational tour 2018

Sri Adichuchanagiri college of Arts and Commerce Nagamangala conducted an educational tour on 25-03-2018 to 26-03-2018 for BSc (PCM and PMCs) students of Science department. About 75 students and 9 faculties visited our state Karnataka. The main purpose of the tour was to get the students closer to the natural environment and develop a scientific attitude.

The purpose of visit is to promote and enhance students understanding of the culture of science and technology, to supplement science education given in colleges and to organize various out-of college educational activities to foster a spirit of scientific enquiry and creativity among the students

A visit to Mysore, Madakeri and Kodagu etc. was very exciting for students and really helps them understanding unity and discipline. It was just a Complete and Knowledgeable trip.
