Health Awareness Programme Report

Date: 14/09/2017

The event was organized by Red Ribbon Club the Principal of our college Dr. B.K. Lokesha, on this occasion, District Health Adviser Dr. Prabhu spoke about the how Cancer and cardiovascular diseases are in rise due the use of tobacco? He briefed the Students about the benefits of quitting tobacco and making Mandya a tobacco free district.

Most of the tobacco from Northern India and Afghanistan comes from the species *Nicotianarustica*. The growing use of tobacco is a cause of great concern around the world, due to its serious effects on health.

The nexus between tobacco consumption and poverty was well-documented; however, the tobacco control measures are uniformly applied, without due consideration for the high-risk target group. The principal who presided over the program was Dr. B.K. Lokesha Volunteered to inform about the Demerits of the, and professor, Rajendra, HOD of Commerce department, was present at the event.
