DEPARTMENT OF POST GRADUATION IN COMMERCE

“Workshop on Research methodology and Dissertation writing”

Date: 08-06-2023

A Brief Report

The department of Post-graduation in Commerce has conducted “Workshop on Research methodology and Dissertation writing” on 08-02-2023 for all the students of M.Com.

The purpose of the workshop is to provide a detailed understanding of the topic Research methodology and Dissertation writing as it has become mandatory to register for dissertation work for fourth semester of M.Com students as per the new syllabus issued during the academic year 2021-22.

The program started with invocation sung by Shubha B B, II M.com. Ms. Indushree P, Faculty of the department welcomed the gathering.

The inauguration of the event started by watering the Plant by the dignitaries, including faculty members and students of the department

Dr. Umesha S, HoD, Department of Commerce, Government First Grade College Koppa, was the resource person for Technical session:1 he commenced the session with a detailed overview of concept of research its significance, Research methodology, Sampling, Data collection and all other steps in research have been explained well with appropriate illustration and facts.

The workshop started with a mock thesis and the resource person elaborated with systematic strategies for report writing by showing appropriate examples, further the resource person highlighted the major points to be keep in mind while writing a dissertation, he also stressed upon the major mistakes to be avoided during the time of report writing.

After a tea break, the session continued with a detailed discussion on corrections to be done to the synopsis work submitted by the students. The final part of the technical session: 1 was, guidelines for attending viva voce in the University, the resource person provided with common questions might be asked at the time and way of answering them to score well.

The session concluded followed by a Q & A session, student interaction was admired.

Due to time constrain Technical session :2 was organised on 09-06-2023 at 2:00 PM, **Dr. Ravikumar M, HoD, Department of Geography**, of our college was the resource person for Technical session: 2, he has chosen the topic for the session was “ **Field Research**”, focusing on the topic he started his presentation by giving a demonstration of field work which he has carried on the topic “Land Desertification”.

He started his presentation on Field Research along with student interaction; he has presented important contents like preparation to be done at the time of data collection, things to be accompanied with while going for data

collection, way of approaching the respondents in order to get accurate data, do's and don'ts during field research and so on.

Over all the session was fruitful and students clarified their doubts with the resource person on the related topics.

Dr. H S Ravindra, Principal, in his concluding remarks, expressed his gratitude to the resource persons of the day; he encouraged the students to carry out qualitative research in their academics and wish the students best for their research the work.

Mrs.Pallavi R proposed vote of thanks, it was altogether, a successful workshop.
